ANNUAL REPORT

MISSION, Dhenkanal

MESSAGE FROM THE SECRETARY

Dear Friends, Partners, and Community Members,

It is with immense pride and heartfelt gratitude that I present the Annual Report of MISSION NGO for the financial year 2024-25. This year has been a transformative journey—a year where challenges met commitment, and possibilities turned into progress. With your unwavering support, MISSION has continued to empower the lives of rural and marginalized communities across the district.

From promoting sustainable rural livelihoods, strengthening grassroots institutions like FPOs and SHGs, to facilitating programs such as Livelihood and Enterprise Development Programme (LEDP), Management Development Programs, OFPO (Bamboo), PM Vishwakarma, GramodyogVikasYojana, and Livelihood Enhancement through Skill Development—we have walked alongside communities as catalysts for inclusive change. Our interventions have created new opportunities for income generation, entrepreneurship, and self-reliance in some of the most underserved regions.

What makes our work meaningful is the collective spirit—of our field teams who worked tirelessly in remote areas, of our partners who believed in grassroots innovation, and of the community members who showed us that resilience and aspiration go hand in hand. We also express our sincere appreciation to NABARD, Mission Shakti, district administrations, and our CSR partners for enabling our vision on the ground.

As we step into the next year, we carry forward lessons, relationships, and renewed energy to deepen our impact. We aim to strengthen local institutions, expand livelihood-based programs, invest in women and youth development, and continue amplifying voices from the last mile.

Thank you for being part of this journey. Your support continues to be our strength and inspiration. Warm regards,

DR. PRABODHA KUMAR MOHARANA
